

Dear Reverend Talavera;

My husband and I really enjoyed meeting you. We are very happy with the pictures taken by your wife. Also the videographer did an awesome job. It was a true blessing from God sent to us having our very special moment shared with people like all of you. We appreciate the time you gave to us. We will abide by our vows and by the wonderful advise you offered us for as long as we both shall live. We look up to that day, everyday just remembering the pleasant time we shared. All of you keep up the good work. May God continue to bless you. Thanks to you our life had the most perfect start. We would do it all over if we had chance. Please accept our picture as a token our most deepest and sincere Thank You.
